AND NOW THE WDE PRESENTS....

The 2011 WDE Rumble Draft Selection Show

<Live from Radio City Music Hall in New York City> <Theme Song: [All of the Lights - Kanye West](#)>

Michael Cole: Good evening everyone and welcome to the 2011 edition of the WDE Rumble draft selection show. I'm your host Michael Cole, here along with Stuart Scott of WDESPN's Dorkcenter.

Stuart Scott: We've got to change that name. Anyway, welcome everyone to the draft selection show or as we affectionately call it now - the Show. Tonight is where all 12 members of the Rumble fantasy football league find out where they will be drafting in the upcoming WDE Rumble draft.

Cole: That's right; the WDE Rumble Draft is currently slated for August 27th at 12:30pm EST/11:30am CST. For those of you joining us for the first time, here are the basics you need to know. The picks are revealed in reverse order from number 12 to number 1. The draft picks were determined at random by a non-Rumble participant.

Scott: One last thing to note, this show tends to become very violent very quickly - so if you have small impressionable children you may just want to catch the results online.

The 2011 WDE Rumble Draft Selection Show

Cole: Thanks for the reminder, Stuart. That's right; the WDE is trying to kick it up a notch this year. We officially have WDESPN.com up and running. It's still a work in progress but the league is going places this year - and you can stay up to date with the league page. We also have a [Facebook group page](#), and a twitter account [@wdespn](#). So without further ado, let's bring out the commissioner to start the show.

Scott: <puts his hand to his ear> Hold up, Cole. I'm receiving word that we have a special guest to into the commish. Mr 305 himself - Pitbull!

<Pitbull comes out to sing "[Mr Worldwide](#)"> <Marques walks out on stage to a chorus of boos>

Marques: Ladies and gentlemen, your world champion is here!

Crowd: Boo!

Marques: Boo, all you want but not only am I your champion; I'm the man that makes all of this happen. With the NFL lockout officially over, I think it's time I started to flex some of my power around - because if you hadn't notice, I'm the best there is in this league. 3 championships - no one has ever done it and no one will ever do it again. I'm guaranteeing that by locking out the WDE Rumble coaches starting now.

Crowd: What?!

Marques: You heard me.

Crowd: What?!

Marques: I said you heard me!!

Crowd: What?! <Note: [Here's the reference for this bit](#)>

Marques: Oh, don't you try to play that game with me. I've been abused by this league and by its fans for way to long - so no fantasy football for any of you this year.

<Jonas walks out on the stage>

Jonas: I'm sorry, but I can't let you do that Marques. It would appear that the power of being commissioner has finally gone to your head.

Marques: Maybe it has a little, but there's nothing you can do that will stop me or my lockout.

Jonas: Like I said before - I can't let you do that Marques.

<Jonas hands Marques a sheet of paper. The expression on Marques' face goes from one of happiness to one of sadness>

Marques: What is this non-sense?

Jonas: The WDE boards of directors feel that you you've been a bit out of control lately and they have appointed me as co-commissioner of the Rumble this year. So no more random

shutting people down because you don't like them. I've put in a lot of effort to make sure this year is very special and I'll be a monkey's uncle if I let you ruin this special league.

Marques: I can't believe you're doing a hostile takeover - this is unacceptable.

Jonas: This is the Rumble, Co-commish. Anything is possible! Except for Mike and Phil winning a fantasy championship, those are very much pipedreams.

Marques: I'm sorry, but only the real commissioner would have this official sealed envelope which states whom the #12 drafter is - I have it and you don't, proving that I'm the true commissioner of this league.

Jonas: I'm sorry, what were you saying?

<Jonas holds up the envelope in his hand. Marques looks at his hand and the envelope is no longer there>

Marques: Stupid Applegate magic!

Jonas: Now, it's time for us to get down to business and announce the team with the number 12 pick in the 2011 WDE Rumble draft....your friend and mine, Clark Kent!

12TH PICK: CLARK KENT

2010 Draft Slot: 1st / 2010 Final Standings: 6th

Theme Song: [Wonderman – Tinie Tempah](#)

<Mike comes up on the stage and gets in Jonas's face>

Mike: What is this crap, Jonas? I thought we were friends!

Jonas: Dude - back up, I had nothing to do with this. It's all Andie's fault - she's the one that did the drawing.

Andie: Hey!

Mike: Whatever man - we all know that this draft is rigged to screw me over any way you can. I see how it is, everyone thought that Marques was the corrupt one in this organization but it's really been Jonas who has been behind the scenes screwing me over. I was #1 last year - how could I, THE Mike Williams, now be picking last? That's impossible!

Jonas: No, the only thing that's impossible is you winning a fantasy championship. Or being consistent. Or holding down a steady job.

Mike: You're one to talk.

<Jonas and Mike now get face to face, nose to nose>

Crowd: Kiss! Kiss! Kiss!

Marques: Wow, you know things are getting out of control when I'm the voice of reason. Mike, trust me if we were out to get you - we could both screw you over a lot more than messing with your draft pick. But you obviously have some hurt feelings from last year and getting beat so thoroughly by Reid in the first round. So why not take it out on another first round loser - the Nashville Ninjas! Week 1: Clark Kent vs. Nashville Ninjas - it's a hot rivalry to start off the season.

Jonas/Mike: No problem. <They keep staring at each other>

Marques: Seriously guys either get a room, get a chair to beat each other up or get off this stage we've got a show to get on with.

<Mike slowly starts to back up away from Jonas but still looking intently at him. The moment he turns around to head towards the stairs back down, he's clobbered upside the head with a steel chair>

Andie: Mess with my man; you get the crap beat out of you - punk! <Then Andie spits on Mike and throws the chair on him>

Marques: Hmm...You Applegate's have anger management issues.

Cole: Wooh, what an explosive way to start off the fantasy football season with two longtime rivals facing off on day 1. Clark Kent vs. Nashville Ninjas should be a classic.

Scott: I don't know about that, despite what you just saw - Mike was able to thoroughly trounce the Ninjas last season in the closing weeks. Jonas better hope the same thing doesn't happen again - because no one...and I mean NO ONE...wants to hear Mike start the season with something to trash talk about. He's at his best when he's made to be humble.

Cole: Or unconscious. <Medical staff comes out onto the stage and carts Mike away>

Scott: Back to the draft show, let's see which one of our fearless commissioners will present the next pick.

Marques: Alright, Jonas. You've showboated enough - here's a pick announcement from a pro. With the number 11 pick in the 2011 WDE Rumble Draft...really? This guy...sheesh, hold on. <Marques goes under the podium and pulls out some earplugs. He then puts them in his ears.> With the number 11 pick....Bring It!

11TH PICK: BRING IT!

2010 Draft Slot: 10th / 2010 Final Standings: 8th

Theme Song: [Hate Me Now - Nas](#)

<Phillip walks onto the stage to a chorus of cheers from the audience. He walks to the podium and pushes Marques out of the way>

Phillip: Finally....PRR has come back to....New York City! <Crowd cheers>

Marques: Very original, PRR.

<Phillip turns to Marques> **Phillip:** You dare question the great one? The most electricfying man in ALL of fantasy football!

Marques: I'm sorry, I can't hear you. I'm so much higher than you in my football knowledge and ability to win championships I don't even know who you are.

Phillip: Really? Don't even know who I am, eh? Well let me tell you who I am. I am one of the most successful superstars outside of the Rumble empire, I bring joy to the millions <and millions> of people at home and I'm the future father of a wonderful girl named Emma. Marques - you may win at fantasy football, but I win in the real world.

<Marques just glares at Phillip>

Phillip: Yup, that's what I thought. You see, Marques. Champions come and go, but my awesomeness stays forever. And as someone you like once said...that's the bottom line, because PRR said so!

<Phillip rips the mic off the podium and drops it at the feet of Marques. Before leaving, the camera catches Phillip looking at Marques and mouthing the words 'Hate me now? '>

Cole: Wow - I don't think I've ever seen anyone berate Marques like that in public.

Scott: Seriously, while we all know that fantasy football is about fun and games - to be called out like that in front of a sold out crowd at Radio City and in front of the millions...

Crowd: ...and millions!

Scott: Don't know how they heard me, but anyway...of people at home. When these two meet later this season it's going to be a classic like it usually is. Wow, we're only at the number 10 pick and we've already had chairs and public embarrassment - so we're par for the course.

Cole: Yup, it's quite amazing that two of the top rivals for the commissioners are picking at the bottom of the draft. I'm not saying it's rigged, I just find it very very interesting.

Scott: You know what I find interesting - finding out who's picking at number 10. Let's send it back to stage to find out.

Jonas: I'm going to let Marques recover from that kick to the nuts and announce the team with the number 10 pick in the Rumble draft...haha, I guess I can't let him recover for too long...The Outlaws!

10TH PICK: THE OUTLAWS

2010 Draft Slot: 2nd / 2010 Final Standings: 1st

Theme Song: [Forever - Drake](#)

Crowd: Booo!

<Marques pushes Jonas away from the podium and takes the stand>

Marques: You know, every year I come out here and announce the draft picks for the upcoming year. Every year, I give you people my all to put together an entertaining product. I give everything I have to make sure that this league is THE best fantasy football league any of you have ever been a part of. For my efforts, what do I get from you people? Jeers and boos!

Crowd: What?

Marques: Boos!

Crowd: What?

Marques: Boos! This is what you're going to force me to turn to if you keep this mess up. Look here people, whether you like it or not - I'm your champion, I'm your commish - regardless of what Jonas says - and I'm the best thing that ever happened to this league. Show me a little respect!

Crowd: Yay! Boo!!!!

Cole: Well, that was a little respect.

Marques: Go ahead and boo - whether I'm picking from the 10th spot or the 1st spot, you're looking at the 4 time - 4 time - 4 time Rumble Champion! <Marques takes the mic off the stand, drops it to the ground and walks off the stage>

Phillip: Copycat!

<Marques glares at PRR and then jumps off the stage onto PRR. Both start to fight.>

Scott: Ah, some things never change. It's been an exciting draft selection show so far - picks #12 through #10 are in the bag, who will be picking in the top 10 - you've got to come back to find out. We'll see you after these words from our sponsors.

Cole: Welcome back to the 2011 WDE Rumble Draft Selection show everyone. Stuart Scott and Michael Cole here to bring you the non-stop action that has been the early part of the show. With 3 picks down and Marques getting into his annual fight, we are now waiting on Jonas to announce the number 9 pick in the draft.

Jonas: I'm sorry folks - I know usually when Marques gets into a brawl you expect some surprise guest host for the rest of the show, but that's the beauty of co-commissioners. When one of us is down, the other can take over.

Crowd: Boos!

Cole: Looks like the crowd adjusted well.

Jonas: Well that's just rude! Anyway, with the number 9 pick in the 2011 WDE Rumble draft...Orange Nation!

9TH PICK: ORANGE NATION

2010 Draft Slot: 7th / 2010 Final Standings: 10th

Theme Song: [I Came to Play – Jim Johnston](#)

<Joel walks onto the stage with his family in tow>

Jonas: Hey buddy, how you doing?

Joel: I'm doing well - I'm very exciting about our family making the move from Texas to Arkansas for an amazing church opportunity.

Jonas: That's awesome, so what do you think about picking at the 9th spot in the draft this year?

Joel: Well, it's not as awesome as picking in the 7th spot like I did last year - but I can make it work. I think the biggest challenge for me last year was adjusting to the speed of the game in the Rumble. I mean, Phil told me how competitive you guys are but it didn't really hit me until I got in there and realized just how good you all are.

The 2011 WDE Rumble Draft Selection Show

Jonas: Yeah, they don't call us the premier fantasy football league for nothing.

Joel: Exactly, and that excites me very much but I just want to make one thing very clear. <Joel puts down the child he was holding and gets very close to the mic> Last year was my rookie season and you all took advantage of me, but not this year. This year, I'm rolling through ALL of you, I'm going to the playoffs and I will BE your fantasy football championship. The Orange Nation shall rise again!

Cole: Could Joel accomplish what his brother has never had a chance to even get close to accomplishing. As the lockout proved, anything can happen and if there was a year when someone could sneak under the radar and get the championship it's this season.

Scott: That is very true - we could be looking at a surprise champion at the end of the year. The best part about this season is that it's the first time in a very long time that there are no rookies - everyone came back from last year. So it's quite literally anyone's game.

Cole: Let's send it back up to Jonas for the reveal of the team selecting in the number 8 spot.

Jonas: With the number 8 selection in the 2010 WDE Rumble Draft...Pain and Suffering!

8TH PICK: PAIN AND SUFFERING

2010 Draft Slot: 5th / 2010 Final Standings: 3rd

Theme Song: [Rise Up – Jim Johnston](#)

Scott: Such aggressive music from Matt - he must be serious this year.

Cole: Last year, he got oh so close to the fantasy championship game and just couldn't get the job done. Got beat by a rookie - very sad. Let's send it to Michelle Tafoya who is standing by with Matt right now.

Michelle: Matt, it has been a rough year for you so far - first you lose to the Spartans in the conference championships, then you are gifted an Xbox 360 - a real console - and have to give it up and Netflix jacks their prices up on you because they specifically stated 'We don't like Matt and his strange ties to Orlando'. What are your thoughts on the year that was?

Matt: You know - I never put it all together like that, but now that you mention it this has been a crappy year. Sheesh, I've got to get my head back in the game and bring the fantasy championship back to Knoxville.

Michelle: Well the championship hasn't been there since Marques originally won it in 2004. And let's admit it - you're no Marques when it comes to fantasy sports.

Matt: You're right, I'm better. I don't know if you've noticed but the Rumble is the ONLY WDE championship I haven't won yet. It's the most elusive but this is my year - this is my time. Lebron and the Heat couldn't get it done, but unlike them I won't fail when it counts. Also, I have a special message for the Spartans. <Matt looks directly in the camera> Bill, no rookie stops me from achieving my dreams and gets away with it. Last year, we all underestimated you - we didn't think you had what it took to make an impact in this league. I mean - you are Canadian. But we were wrong and you snuck by me to get a spot in the fantasy championship. You're the Mark Sanchez of this league, Bill. And this year, I'm going to show you for the fraud that you are!

Michelle: O-k, back to you guys.

Cole: Wow - did you see the look of intensity on his face? That was without a shadow of a doubt the most intensive I've ever seen Matt. I guess he took that conference championship loss a lot worse than we all imagined. I think the Spartans needs to watch their back this year - next to the Outlaws; they are the team to beat this year.

Scott: True indeed. Let's now send it back to Jonas to find out who's picking at number 7.

Jonas: With the number 7 pick...<Jonas opens the envelope and smiles>. You know what; I think it's that time in the show where we have someone special announce the selection. Ladies and gentlemen, I would like to introduce to you - the one, the only; the Falcons bet the farm on this guy - Julio Jones!

<Julio Jones walks out to a chorus of cheers and applause. He shakes Jonas' hand and takes the envelope from him>

Julio: Thank you. Thank you. It's an honor to be here tonight and introduce you to the team with the number 7 pick in the WDE Rumble Draft...my hometown team, The Atliens!

7TH PICK: ATLIENS

(THIS IS THE WDE APPROVED NAME FOR THIS TEAM)

2010 Draft Slot: 4th / 2010 Final Standings: 4th

Theme Song: [How we roll/Fast Five Remix – Busta Rhymes](#)

<Reid runs onto the stage and hugs Julio>

Reid: It's future hall of famer, Julio Jones! I'm so excited to get to meet you. I'm seriously thinking of making you my pick at this spot. What do you think?

Julio: Wow, dude -I would be honored if you were to draft me at this position. I won't disappoint you or any of the other Atliens fans out there.

Cole: There are Atliens fans? Must just be Reid's girlfriend that Julio's talking about.

Reid: Wow - I just know you're going to have an amazing season and I can't wait to see it every Sunday. Nothing can stop the Atliens or the Falcons now!

<From the side of the stage, Marques runs out with a chair and hits both Julio and Reid in the back>

Marques: I'm sorry, what were you saying about nothing can stop you? Last time I checked - he's a rookie and you're a has been. I can stop you and I will stop you, because I'm that damn good.

Scott: That chair has to be one of the most popular characters at this show. It shows up every year and always at the most inopportune times.

Cole: What about Marques? He's here every year.

Scott: Yeah, but he's crazy.

Cole: Touché. While the medical staff attends to Julio and Reid, we'll take a commercial break. You are watching the 2010 WWE Rumble Draft Selection Show from New York City; we'll see you right after these messages!

[Dorkamania XII](#) - live from Miami, Florida. April 1, 2012. The Great One returns!

Cole: I'm pumped for Dorkamania 12 taking place next year in Miami, Florida. The Great One is going to be making his triumphant return to the WWE ring!

Scott: Ok, but who's the Great One?

Cole: You don't know who the great one is? [He is the Jabroni beating, lalalalalalala, pie eating, trail blazing, eye brow raising, supernova of entertainment; the most electrifying man in showbiz today. He's the Rock!](#)

<The Rock actually walks out onto the stage to a chorus of cheers. The crowd is literally on their feet for at least 2 minutes cheering the Rock>

Scott: Speak and he shall come!

The Rock: Finally....<Crowd cheers>...Finally....Finally the Rock has come back to the WWE! You see, I couldn't wait until next year to make my return to the WWE. No, no, no, no - The Rock felt that the millions - and millions - of the Rock's fans deserved the real thing this year. Not that

Jabroni knockoff known as PRR! But since the Rock is here, he might as well participate in some of the fun known as the draft selection show. So if you will excuse me...

<The Rock takes the envelope away from Jonas and opens it up>

The Rock: Oh yeah, this is going to be good. With the number 6 pick in the WWE Rumble Draft...The Spartans!

6TH PICK: THE SPARTANS

2010 Draft Slot: 11th / 2010 Final Standings: 2nd

Theme Song: [Look at me now – Chris Brown](#)

<Bill walks on stage and comes face to face with the Rock>

The Rock: So you're the Spartans, huh? What's your name?

Bill: It's Bil...

The Rock: It doesn't matter what your name is! <Crowd cheers> The only thing that matters is the fact that you are standing in the presence of one of the greatest rookie sensations of ALLLLL time. When the Rock came into the WWE, no one expected him to be as great as he became. People thought the Rock was just a flash in the pan, one trick pony with five moves and a stupid catchphrase. But the Rock proved all the haters wrong and became one of the most recognizable names in all of showbiz. You know, guy, you remind the Rock a lot of himself. What do you think about that?

Bill: It doesn't matter what I think?

The Rock: You're learning - you're right, it doesn't matter. But let the Rock give you one piece of advice, any rookie can have a great first year and then fizzle out. History is littered with those types of people. You want to be special, you want to reach the Rock's level - which you will never do but it's good to strive for things - then you have to get to the championship game again. Do you think you can do it?

Bill: Does it matter?

The Rock: Of course it matters - do you think you can get to the championship game again and win it all this time?

Bill: Of course - otherwise I wouldn't be here!

The Rock: That's what I'm talking about it. Good luck. <The Rock shakes Bill's hand> By the way, I hate Michigan! <The Rock gives Bill the Rock Bottom and walks off the stage>

Cole: Well his theme song does say look at him now, lying on his back laid out by the Great One. And in just one year's time, the Great One will actually be competing in a match at Dorkamania - I don't think there's a building on earth that could handle the level of excitement that's going to be on display that night.

Scott: This place could barely handle the excitement; Dorkamania XII is going to reach an all new level of awesomeness. It appears that are very busy medical staff has wheeled Bill off the stage and we are now ready to find out who is selecting at the number 5 spot.

Marques: Wow - and I thought I beat Bill up good last year. Anyway, with the number 5 pick in the 2011 WDE Rumble Draft...the Nashville Ninjas.

5TH PICK: NASHVILLE NINJAS

2010 Draft Slot: 6th / 2010 Final Standings: 7th

Theme Song: [Power – Kanye West](#)

Scott: We now send it over to Michelle Tafoya who is standing by with our newly minted commissioner and number 5 team.

Michelle: Jonas, it has been quite the show so far with the Rock and Julio Jones making surprise appearances. How has this first show as co-commissioner been for you?

Jonas: Well, I think we're keeping up our average of sending people to the hospital which is good. It's been pretty fun so far, I have to say. I now understand why Marques always kind of feared for his life at this event though, you never know who's going to come out of the wood works to attack you.

Michelle: Well with the number 5 pick, your options are pretty open - you can either go running back, take one of the first QBs off the board or go for one of the two elite WRs out there. What are your thoughts so far?

Jonas: Well obviously I'm not going to reveal who I'm targeting but I will say that the lockout has changed up my draft strategy a tiny bit. With the keeper system in place, last year I took alot of chances on rookies and some paid off while others didn't. I think this year I'm going to focus more on the veteran players because they will actually get me to the championship this year.

Michelle: Also, what are your thoughts on Marques becoming the first back to back and 3 time champion in Rumble history? It has to gnaw at you a bit since you're the one that started this league all those years ago.

Jonas: You know what, more power to him - he puts alot of hard work into making this league as fun and competitive as it is. And if all we have to do is let him win a championship every now and then - we'll do that to keep him going.

Michelle: So are you saying that the league LET Marques win 2 years in a row?

Jonas: <smirk> Michelle, I'm saying no such thing. What I am saying is that Marques was the definer of the previous decade of the WDE. It's time to redefine.

Michelle: Umm...that's ominous. Back to you, Michael.

Cole: That was indeed ominous. I would say that Marques should watch his back, but that's pretty much a given in this league. It's full of opportunist who will pounce on you at the drop of a hat.

Scott: Alright, let's move on and find out who will be selecting in the 4th spot this year.

Marques: Hmm...Despite what Jonas just said, I still define this league. With the number 4 pick in this year's WDE Rumble draft....The Teksasseans!

4TH PICK: TEXASSEANS

(THIS IS THEIR WDE APPROVED NAME)

2010 Draft Slot: 12th / 2010 Final Standings: 12th

Theme Song: [Orange & White - Swiperboy](#)

Marques: Unfortunately, Phil couldn't be at the show tonight because he had yet another ribbon cutting ceremony to attend. But he left this special message for PRR.

Phil: Hey everyone - sorry I couldn't be there tonight to celebrate the upcoming year of fantasy football goodness. You know these giant ribbons don't cut themselves! Hold on a sec...

<Phil poses for a camera and cuts the big red ribbon behind him with scissors that are twice his size. He poses again for another camera and hands the scissors off screen>

Phil: Now where was I? Oh yeah, you know when I found out that I would be picking at the number 4 spot this year - I was a bit shocked. I mean, the last 2 years have not been kind to me in regards to the Rumble and to be blessed with this spot was just a sign that things are about to turn around. But you know what was icing on the cake - when I found out that I would be picking higher than PRR. You see, for the past few years PRR and I have been unseen rivals - I've never actually met him in person and he's never met me. It was an arranged rivalry by the evil Hindu god known as Marques. But last year, it took on a different slant as PRR and I actually had something to compete about - he called me out for complaining during the draft and I called

him out for being a punk. And thus a true rivalry was born. Now you see, I thought that would be the extent of our rivalry - that it would go back to it's normal 'I don't care about you, you don't care about me' status. But then something magical happened....

<Mandy walks onto the screen, showing she's pregnant>

Phil: We're expecting our first child - it's going to be a boy and we're tentatively naming him Rocky. The next generation of the WDE is right here. But I digress. So I find out that we're having baby and I'm overjoyed. Until I hear that PRR is ALSO having a child this year. I was like 'WHAT?!' can this kid not be original at all?! So I think we're both going to have our babies around the same time - so this fantasy season takes on an even more important stance: which one of us will be the better fantasy father? You see PRR - last year I was just fighting for myself, this year I will be fighting for the pride of my child and my family. Nobody backs Phil in a corner - no longer will my team be known as Rock Bottom. The Texasseans shall rise again!

Cole: Is that like some family phrase?

Phil: PRR, you talk about Bringing It all the time. Don't worry - it shall be brought and you will fill the wrath of Rocky!

Scott: Who says Marques doesn't know how to build a rivalry?

Cole: He does know how to put together a good show, that's for sure. Well here we are - with 3 picks left to reveal in the 2011 WDE Draft Selection Show, we'll take a break for our sponsors. Come back as we reveal who is blessed/cursed with the number 1 selection this year.

Sponsor:

[Fosters](#) - Australian for Beer

Scott: It's also American for fantasy MVP last season.

Cole: That's a good question though - who will be this year's Arian Foster? Michael Vick? Peyton Hillis? Who will be the next player to just come out of nowhere and lift a fantasy team on their shoulder and lead them to victory?

Scott: Well the remaining 3 teams have the best shot at getting an unquestioned stud player. While Arian Foster is being kept by the Outlaws, there's still alot of great players out there for these three to choose from. So let's send it back to the podium to find out who's picking at the number 3 spot.

Marques: <Comes out to the podium drinking a Fosters beer> Hey, got to support my boy in any way I can. Anyway, with the number 3 pick in the WDE Rumble draft....Macheteros™!

3RD PICK: MACHETEROS™

2010 Draft Slot: 3rd / 2010 Final Standings: 9th

Theme Song: [Ante Up – M.O.P.](#)

<Chris walks onto the stage cell phone in hand.>

Chris: Hey man, what's up?

Marques: Umm...you have the 3rd pick in the draft this year again - aren't you excited?

Chris: Yeah, I am but I'm dealing with a phone issue over in Switzerland while at the same time taking care of a network issue down in Bolivia.

Cole: Perhaps Chris should be called Mr. Worldwide?

Marques: Shut up, Cole!

Chris: So I'm picking 3rd again - that's awesome, I'm definitely going to be getting....<Chris gets back on the phone> What do you mean the Cisco system failed to come back on? Argh! <Chris walks off the stage in a huff>

Marques: This is why I hate dealing with phone stuff. Anyway, let's move right on to the number 2 slot. The team with the number 2 selection in this year's WDE draft is...Maddog.

2ND PICK: MADDOG

2010 Draft Slot: 8th / 2010 Final Standings: 5th

Theme Song: [The Show Goes On – Lupe Fiasco](#)

<Kyle walks onto stage with a neck brace on and shake's Marques and Jonas's hand>

Marques: While I understand that the first season of fantasy football can be a little rough, what happened to you?

Kyle: Well when the lockout looked like it wasn't going to end any time soon - I decided I needed to look more like my favorite NFL player, Peyton Manning. So when I heard that he had neck surgery this off-season I went ahead and did the exact same thing.

Jonas: You got neck surgery just to be like Peyton Manning?

Kyle: Yes, isn't it awesome! I think I'm going to get him to sign it during training camp.

Marques: Yeah, that's a bit on the crazy side. You know that right?

Kyle: I don't know that - but what I do know is that this year, I'm coming for you Marques. <Kyle gets a crazy look in his eyes> You see, for the past few years you've been running roughshod over me in PRR Live. Last year, I was a rookie in the Rumble but I did pretty well. Of course, I didn't win it all which is the most important thing but I made you scared that a rookie was going to win it all.

Marques: Yeah, but that rookie wasn't you. You fooled a lot of people last year, but not me - I'm used to beating you down when it counts.

Kyle: That's what you think. This year is going to be different - this year I'm going to school you in both PRR Live and the Rumble. And there's not a dang thing you can do about it?

Marques: Oh really now? <Marques spears Kyle and they get into a brawl on the stage. Security has to come on stage and separate them both. Kyle is escorted off the stage>

Cole: Wow - that was a combination of the crazy and unstable right there. Marques should really find ways to resolve his issue other than through violence <Cole dodges a shoe being thrown at him>

Marques: I told you to shut it, Cole. You've survived this long tonight - don't make me come down there.

Scott: Well, we're this close to the end of the draft and the original commentary team is still in good shape, so let's not ruin a good thing and send it back up to Jonas to reveal the team with the number 1 pick in this year's draft selection show.

Jonas: The team with the number 1 pick in this year's WDE Rumble Draft Selection Show - the last of the father's to be, the man who took 30 mins to configure a remote with 78 buttons, a man who stated - and I quote - "I got hacked" is the new "I got robbed by a black guy"...the Footballas!

1ST PICK: THE FOOTBALLAS

2010 Draft Slot: 9th / 2010 Final Standings: 11th

Theme Song: [Let it Rock – Kevin Rudolf](#)

<Todd walks onto the stage a little embarrassed>

Todd: Thanks - wow, I never expected to one day be in this position. It feels like it's the year of the babies here in the WDE. We're all growing up a bit and it's kind of ironic that 3 of us are all having kids this year. While I wouldn't ever take having the number 1 pick for granted - it's going to be awesome having an elite player on my team from the get go. This is my year to shine, to

The 2011 WDE Rumble Draft Selection Show

show this league that my team name isn't a joke - isn't something to be taken lightly. Watch out - Rumble, the Footballs came to play this season.

<Todd takes the mic off the stand, drops it to the ground and walks off>

Cole: The most abused person tonight is that poor microphone. Anyway, that brings us to the conclusion of the 2011 WDE Rumble Draft Selection Show. I have to say, it's quite a change of pace to actually make it through the entire broadcast without getting attacked to much or having to require medical attention. I like that.

Scott: You've really got to find safer places to work. Anyway, the stage has been set for the 2011 WDE Rumble Draft, taking place [LIVE on Yahoo! Fantasy Sports](#) at 12:30pm EST/11:30am CST. Just to recap, here is the drafting order for this year's Rumble:
